Dear Ken:

The letter that was sent out regarding donations to the Club for mailings was unethical. I sponsored the motion that asked for donations by returns for mailings and I believe it should be, but not done as this letter does and asking for more money is out of order. Let those that want to donate make up their own minds.

Most of us that are left members have contributed a great deal to the club in time and effort, that is why the club is over 65 years old. You are included in this group.

Let remind this group that you would like them to help with the mailing and give them at least until Jan 1st

I know you did not
send this letter, RHO.

Best Regards.

Rich
